Business Statement

Russian Iron and Steel Imports

L.S.

Flowtech Hydraulics has reviewed the prohibition on the import of Russian iron and steel products processed in a third country which came into effect from 30th September 2023.

We declare to the best of our knowledge, that all products in our Supply Chain comply with the UK and EU sanctions. We are actively working with our suppliers and manufacturers and will continue to review to ensure that all products we sell comply.

Further details on the sanctions can be found at:
